PHILIP MORRIS U. S. A.

INTER-OFFICE CORRESPONDENCE

Richmond, Virginia

RECEIVED
JUN 0 6 1988
CLIFF LILLY

To: .Mr. A. C. Lilly **Date:** June 6, 1988

From: .H. Alonso

Subject: .ART PROGRAM PLAN

CONFIDENTIAL

Attached is an updated version of the ART Program Plan. There are no major changes in the plan, other than a narrowing of the scope for long-term objectives, to include only alkaloid reduction in the ART Program. (The previous version included investigation of other applications of supercritical fluid processes as part of ART). In addition, plans for test market production were deleted.
